10th International Scientific/Professional conference
AGRICULTURE IN NATURE AND ENVIRONMENT PROTECTION
Vukovar, Croatia, 5th – 7th June 2017

Dear friends and colleagues,

The "Agriculture in Nature and Environment Protection" is the topic of this International Scientific/Professional Conference which, for the 10th time, will be held in Vukovar, Croatia. The Conference was initiated by "Agroglas", a biweekly journal for agriculture, and throughout the years, our Conference has profiled into forum in which academics, scientists and experts from Croatia and surrounding countries exchange knowledge and experience, present results of recent researches. Through communication with producers, experts and scientists, new paths and directions for future research are profiled.

Official language

Official languages of the conference are Croatian and English.
